By submitting this paper, the Author (Authors if a multi-authored paper) has the right or has obtained authorization to enter into this License and agrees to its submission by signing below.

The Authors warrants that the Work:

- Has not been published before (except if included in an institutional pre-print server).
- Is not presently being considered for publication elsewhere.
- Does not violate any intellectual property right of any person or entity.
- Does not contain any subject matter that contravenes any laws (including defamatory material and misleading and deceptive material) and
- Meets ethical standards applicable to the research discipline.

The authors should warrant that the work and all figures, illustrations, photographs, charts, and other supplementary material are original. They declare that this manuscript has not been published elsewhere and submitted, nor will be submitted, to any other publication while consideration by the JMRD. There is no any plagiarism in this manuscript and no part of this manuscript (referenced or otherwise) has been copied verbatim. No one who has contributed significantly to the work has been denied authorship and those who helped have been duly acknowledged. All authors reviewed and approved the content and parts of this manuscript as submitted.

PUBLISHING AGREEMENT

This is a license agreement under which the authors retain copyright in their articles, and grant (hereinafter 'the Publisher') a license to allow the publisher to publish the articles, including abstract, tables, figures, data, and supplemental material hosted by the publisher, as the Version of Record (VoR) in the Journal for the full period of copyright throughout the world, in all forms and all media.

USER RIGHTS

Under the Creative Commons Attribution-NonCommercial license, others than authors can remix, tweak, and build upon author's work non-commercially, and although their new works must also acknowledge the author and be non-commercial, they don't have to license their derivative works on the same terms.

GRANT OF PUBLISHING RIGHTS

The authors should grant the publisher license to publish their article, in all forms and all media (whether known at this time or developed at any time in the future) throughout the world, in all languages, where their rights include but are not limited to the right to translate, create adaptations, extracts, or derivative works and to sublicense such rights, for the full term of copyright (including all renewals and extensions of that term), to take effect if and when the article is accepted for publication. They confirm that they have read and accept the full Terms and Conditions above including the author warranties, and have read and agree to comply with the Journal's policies on peer review and publishing ethics.

All authors are requested to sign this form. If not signed by all authors, the corresponding author acknowledges that he/she is signing on behalf of all the authors and with their authorization.
